

# Location and Parking Information

2009-2010 Dr. Nelson Ying Orange County Science Exposition  
Rollins College  
February 15, 2010

The exposition will be held in the Rollins College Alford Sports Center. The judges meeting room is the McKean Gym, located on the 2<sup>nd</sup> Floor of the Alford Sport Center.

## Location

The Alford Sports Center is located on Chase Ave as shown below in the map.

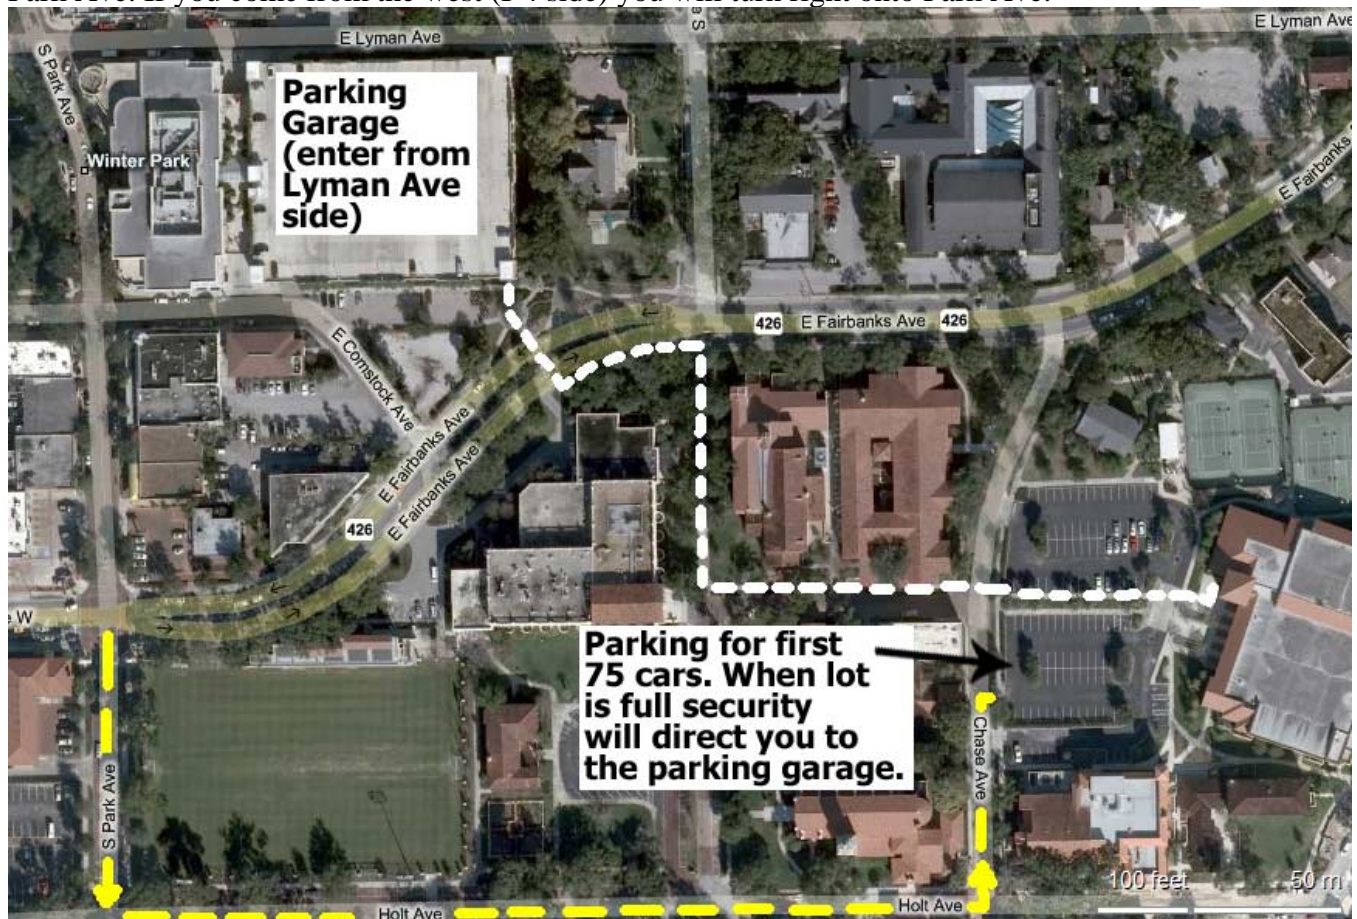

## Parking

There are 75 spaces available for judges in the parking lot in front of the Alford Sports Center. These will be available on a first-come – first-served basis. Since we expect over 100 judges this means that not everyone will be able to park at the Sports Center lot. For those that arrive after the lot has been filled up Rollins College security personnel will direct you to the Sun Bank/Rollins parking garage located on Lyman Ave. and will give you a voucher for free parking in the parking garage.

Those that will have to park in the parking garage will need a few extra minutes to enter, park and then walk the two blocks to the Alfond Sports Center. So please either arrive early or else allow for the 10-15 minutes it will take you to walk from the parking garage to the Sports Center.

## Directions

Rollins College requests that judges use Holt Ave. to get to Chase Ave. so that you arrive from the south (i.e. please do not turn onto Chase Ave. directly from Fairbanks Ave.) The directions below start from the corner of Fairbanks and Park Ave. If you come from the east (SR 436 side) you will turn left onto Park Ave. If you come from the west (I-4 side) you will turn right onto Park Ave.
